Woods; Commissioner Tom Mills, Assistant Commissioners Brigid DeVries, Louis Stout and Billy V. Wise. Conley Manning was present representing the State Department of Education. The invocation was given by J. D. Minnehan.

Robie Harper moved, seconded by Walter Pickett, that the minutes of the April meeting be accepted. The motion passed unanimously.

Charles Black made the motion to place in nomination J. D. Minnehan and Faircе O. Woods for President and Vice President respectively. Alvis Johnson seconded the motion and it passed unanimously.

President Zeb Blankenship thanked the Board members for their cooperation and the efforts of the people he had worked with during his year as President. He then turned the meeting over to newly elected President J. D. Minnehan.

President Minnehan presented plaques to the outgoing Board members, Zeb Blankenship and Barney Thweatt, expressing his appreciation for their service and contributions to the K.H.S.A.A. They accepted their plaques with words of thanks.

Mr. Minnehan introduced the newly elected Board members: Prin. Robert Rogers, Ballard Memorial High School, representing Section 1: Prin. Eldon Davidson, Monticello High School, representing Section 6.

President Minnehan introduced Mr. Charles Carmony to the Board as he was present to appeal the eligibility case of his son. His son had been declared ineligible under By-Law 6, Transfer Rule. After Mr. Carmony's presentation and a lengthy discussion by the Board members, Walter Pickett moved, seconded by Alvis Johnson, that the decision of the Commissioner be upheld and that Mr. Carmony be informed that a situation of this kind should be handled at the local level. The motion carried unanimously.

Commissioner Mills read the correspondence from Prin. Cletus Hubbs of Atherton High School and Mrs. Hammons concerning the eligibility of her son, Dirk. Following the presentation and a discussion by the Board, Faircе Woods moved, seconded by Charles Black, that the Commissioner's decision be upheld and that By-Law 5, Section 1, not be waived. The motion carried unanimously.

Following the presentation of the correspondence by Mr. Mills from Mr. and Mrs. Harold Glenn Noble concerning their son transferring from Riverside Christian School to Jackson High School, Faircе Woods moved, seconded by Eldon Davidson, that no ruling be made at this time since the student has not as yet enrolled at Jackson High School and since the Commissioner has not received a request for a formal ruling in the case. The motion carried unanimously.

President Minnehan introduced representatives from District 3 and 4; Prin. Ralph Colby, Mayfield; Supt. Jack Rose, Calloway County Schools; Prin. Jerry Ainley, Calloway County High School; Prin. Bob Miller, Marshall High School. Mr. Colby came before the Board requesting that Mayfield High School be moved from District 3 into District 4 in basketball. After a lengthy discussion by those in favor and those opposed to the re-alignment, Mr. Minnehan recommended that this request be referred to the Basketball Committee and in turn they should make a recommedation to the Board. Walter Pickett made a motion, seconded by Robie Harper, that the recommendation of J. D. Minnehan be approved. The motion passed unanimously.

President Minnehan asked that the members who attended the National Federation Meeting in July to report to the Board on the sessions they attended. The Board heard from Zeb Blankenship, Walter Pickett and Alvis Johnson. J. D. Minnehan informed the Board that Commissioner Tom Mills had been selected to serve on the Board of Directors for the National Federation representing Section II.

Mr. Mills presented to the Board copies of the material completed for the auditor and copies of the 1981-82 budget report. Following a discussion of the proposed budget, Charles Black moved, seconded by Walter Pickett, that the budget and audit report be approved. The motion carried unanimously.

CAN ATHLETIC INJURIES AND COST OF ATHLETIC INSURANCE BE REDUCED?

HERE ARE SOME SUGGESTIONS THAT WILL HELP:

1. Secure a team physician. Your local Medical Society can advise on this.

2. Require players to be physically fit and well conditioned before engaging in contact.

3. Do not allow a player with an injury to participate until he has medical approval to do so.

4. Make sure equipment is adequate, in good condition, and that it is properly worn.

5. Consider carefully the length of practice sessions. The latter part of lengthy sessions produces the most injuries.

6. Require injuries to be reported to you promptly and refer those needing attention to the physician at once.

7. Get your players interested in injury prevention and fitness. Any player is more valuable without casts and crutches.

8. Our COOPERATIVE FOOTBALL PLAN and Student Insurance provide excellent coverage, service and economy.

K.H.S.A.A. BOARD OF CONTROL OFFICERS 1981-82

J.D. Minnehan
President

Faircе O. Woods
Vice-President

J.D. Minnehan, Principal of Oldham County High School, Buckner, was elected President of the Board of Control at the summer meeting of the directors held on July 24, 1981. Faircе O. Woods, Principal of Fleming County High School, was named Board Vice-President.

J.D. Minnehan is a native of Ashland, Kentucky, and has earned degrees of A.B., M.A. and Rank I at the University of Southern Mississippi, the University of Tennessee and Western Kentucky University respectively.

Mr. Minnehan's first five years in education were in the capacity of English teacher, assistant football coach and head baseball coach at Bardstown High School. He then served as Assistant Principal at Bullitt Central High School for three years and Principal of the Oldham County Middle School for one year before assuming the principalship of Oldham County High School seven years ago.

Mr. Minnehan and his wife, Judy, have a five year old son, Jason. Mrs. Minnehan is Director of Instruction for the Oldham County School District.

Faircе O. Woods was born in Floyd County, attended Garrett High School and earned an A.B. Degree at Kentucky Wesleyan College. In his senior year, 1949, he was chosen Who's Who in American Colleges and Universities and received Honorable mention on the All American Basketball team. After graduation he accepted a job teaching and coaching at Deming High School in Mt. Olivet for two years. After two years, 1952-54, in the service, he assumed the same position at Breathitt High School where he remained until 1967.

After receiving an M.A. Degree at Morehead State University in 1960, Mr. Woods served as Principal of Powell County High School from 1967 to 1971 before moving to his present position at Flemingsburg. In 1974 he received a Rank I certificate in Education from Eastern Kentucky University. He has served as teacher, coach and principal for thirty years.

WHY A NATIONAL HIGH SCHOOL ACTIVITIES WEEK?

The NEED for public awareness and support of high school activities programs is acute and each year illustrations of the lack of support or awareness of the values and needs of high school programs appear. Usually, where there is a strain on the public educational dollar, high school activity programs are the first to be reduced or eliminated. Receiving national notice is the lack of funding for activity programs in cities such as Boston, New York and Los Angeles, and the reduction of tax dollars through public mandate in Massachusetts (Proposition 2½) and California (Proposition 12). These examples of national note are only the tip of the iceberg in that in all sections of the United States demands for the educational dollar are becoming greater and the resultant strain on activity program funding increases. For instance, some school districts have eliminated the funding for athletic and activity programs altogether; in some locations students are required to pay a fee in order to participate, and there are examples of cutbacks in varying degrees in all 50 states and in all sizes of communities and schools. In many areas student and parental concern for participation in high school activities as well as the values which the students and parents receive therefrom is lacking.

As to the VALUES of activity programs, there are several very vivid, documented examples: (1) National surveys reveal that students participating in high school activities are more likely to have higher academic averages and far better attendance records; (2) of the students who drop out of high schools, ninety-four percent have not been involved in any school activities such as athletics, music, speech, student government, etc.; (3) the best predictor (according to ACT and SAT studies) of success in later life is previous participation in high school activity programs--not high school or college grade point average, test score or rank-in-class; (4) generally, participation in activity programs teaches values that make children happier and better citizens, builds strong minds and bodies, emphasizes that competition is not evil (but an American way of life), and that race, color, sex and economic status are not obstacles for participation, and finally, instills poise and confidence; (5) nationally, over one-half of the high school student population participates in high school activity programs for approximately one percent of the total school budget, **obviously** the best value in public education today.

Truly, high school activities are, in fact, "The Other Half of Education." With such values for such a minimum investment, it is important that this "other half of education" is needed and therefore public, parental and student support is a necessity. Thus, the reason for "National High School Activities Week".

VOLLEYBALL COMMITTEE MEETING MINUTES

The 1981-82 Volleyball Committee met on Tuesday, August 4, 1981, at the K.H.S.A.A. office in Lexington. Assistant Commissioner Brigid DeVries called the meeting to order at 1:00 P.M. Committee members present were: Bunny Daugherty, Ann Karrick, Margi McKenna, Sally Meng, Joan Mitchell, Liz Sadler, Susie Sigler and Donna Wolfe.

Brigid DeVries reported to the Committee that according to the information received on the blue forms from our member schools, there will not be a markable increase in volleyball participating schools.

The Committee members reviewed the 1980-81 regional and state tournament information sheet and made a few changes for this year. It was recommended to delete the requirement for the K.H.S.A.A. Certificate of Eligibility to be submitted to the K.H.S.A.A. office as an annual particiption list is sent by each school to the K.H.S.A.A. office and the Committee members feel like this is sufficient. However, because the requirement is in the current Constitution and By-Laws the Certificate of Eligibility will have to be used for the 1981-82 Volleyball Tournament.

The Committee members agreed that an "Information Sheet for State Tournament Program" form be sent to each team participating in the regional tournament and it be attached to the 5" x 7" black and white picture (with names reading left to right). This information shall be turned in to the K.H.S.A.A. office no later than October 12, 1981.

A discussion was held regarding schools sharing the profit or loss of the regional tournaments.

There was a lengthy discussion on making attendance at the meeting before the regional tournaments mandatory. No final decision regarding this issue was made.

The 1981-82 regional volleyball tournaments are scheduled for October 23-24, and the state for October 29-31 at the University of Kentucky Memorial Coliseum, Lexington.

It was suggested by the Committee that a flyer be included in the packet sent to the schools to encourage member schools to sponsor volleyball. It was requested that three copies of the financial report from the regional tournament manager be sent to the participating schools (one to the principal, athletic director and volleyball coach).

Bunny Daugherty agreed to construct, for the regional managers, a guideline for a financial statement to be filled out after the regional tournaments.

It was felt that a decision should be made at the regional meeting as to how the program sales should be conducted and what options the tournament managers have in paying for the expense of the program. The Committee suggested: if a school contributes to the printing, advertising, etc., they should share in the profits of the program; if one school pays for the printing, advertising, etc., they do not have to share in the profits of the program.

The Committee set the time for the State Tournament to be 11:00 A.M. for the semi-finals (matches to be played at the same time) and the final to be played at 1:30 P.M. General admission fee for the semi-final and finals was recommended at $4.00 for adults and $3.00 for students.

The Committee recommended that line-judges be used for regional and state tournaments; either neutral line-judges be provided or each team shall provide one line-judge and that he/she not call own school's matches.

Brigid DeVries gave a financial report of the State Volleyball Tournament; receipts (ticket sales) $3,360.00 and disbursement of $9,022.98.

Ms. DeVries informed the Committee that she will conduct clinics for volleyball officials and coaches at the following sites and times: August 17, Bowling Green High School, 5:30 P.M.; August 18, Louisville Inn, 5:30 P.M.; August 19, Newport High School, 5:30 P.M.; August 20, Henry Clay High School, Lexington, 5:30 P.M.

The Part II National Federation exam will be given this year to officials wanting to work for a higher rating. This exam will be given on one date, September 21, 1981.

Assistant Commissioner DeVries called to the attention of the Committee members a change that should be made in the Officials Handbook published by the K.H.S.A.A. under "Uniforms". It should read "gym shoes" instead of "black shoes".

There was a lengthy discussion on the major rule changes for 1981-82 published by the National Federation.

Miscellaneous items included: A volleyball clinic is being held at the University of Kentucky on August 22, 1981. Various members of the Committee are to contact schools in their area that would be interested in providing sites for the regional volleyball tournaments.

There being no further business the meeting adjourned.

Early Season Questions

PUBLICATION CORRECTIONS

RULE BOOK — Page 30 - Play at the top and **Page 50** - play in the middle - both plays refer to "crawling". Since we took crawling out of the definitions - cross out the plays. **Page 33** - rule 6-3-1, 4th line - delete **"or a safety, other than a punt."**

CASE BOOK — Play 29 - in 2nd line it should be **A1** instead of B. **Play 7.4.3.** - reference is **2-3-5** instead of 2-3-4. **Play 9.3.1c** - delete in ruling **"because A1 is obviously out of the play."**

SIMPLIFIED AND ILLUSTRATED — Page 16 - top - change 15 yards to **5** yards. **Page 90** - bottom - change touchdown to **field goal.**

1. **PLAY:** R1 makes a valid fair catch signal: (a) while K1's high punt is beyond the scrimmage line; or (b) while K1's high punt is 5 yards short of crossing the line of scrimmage. A stiff wind blows the ball back on K's side of the line in (a) and prevents the ball from crossing the line in (b). In (a) and (b), R1 catches the kick on K's side of the line. R1 advances in (b).

   RULING: The signal in (a) is valid as the ball is beyond the line of scrimmage at the time R1 signals. The resulting catch is not a fair catch but the **ball becomes dead when caught.** The covering official should sound his whistle to prevent any advance. R1 has protection only on R's side of the line. The **kickers** may catch or recover the kick on K's side of the line **and advance.** In (b), the signal is **illegal** as the ball was **not beyond** the line at the time of the signal. The play in (b) will be allowed to continue **until the down ends** at which time enforcement of the penalty for the illegal signal will be considered. (2-3-2, 5; 4-2-2g; 6-5-4; 6-5-6 Pen.; 10-3-1a)

   COMMENT: If the ball did not become dead after R1 catches it on K's side of the line, it would give R1 an advantage (because of the valid signal) not intended by the rules. The valid signal by R1 alerts the kickers that R1 gives up any attempt to advance the ball in return for protection beyond the line.

2. **PLAY:** A1 breaks into the clear on his own 40-yard line. B1 and B2 move into tackle A1. A1 veers into B1 and initiates contact with his helmet in an attempt to punish his opponent. A1 fumbles after making contact and B2 recovers on the 50-yard line.

   RULING: Spearing foul on A1. Team B may retain possession by declining the penalty. A1 is disqualified from the game whether the penalty is accepted or declined. Disqualification is a separate procedure not subject to acceptance or declination of the penalty. A disqualified player must always be removed. (2-29; 10-5-4)

3. **PLAY:** A1 is illegally in motion at the snap. A2's forward pass is in flight when B1 spears A2. The pass falls incomplete.

   RULING: This is a double foul. The penalties cancel and the down is replayed. B1 must be disqualified even though a distance penalty is not assessed. (10-2-1a; 10-5-4)

4. **PLAY:** K1's punt is high and not very deep. A strong wind blows the punt back to K's side of the line where K2 gives a fair catch signal and catches the kick. Team R players stop short of contact after the signal but pursue and tackle K2 after he advances.

   RULING: A fair catch signal by the kickers is always an illegal signal. Only members of the receiving team can make a fair catch in specific situations and by implication only receiving team members can signal. The penalty for the illegal signal occurs during a loose ball play and if accepted, would be enforced accordingly. (2-3-2, 5; 6-5-1; 6-5-6 Pen.; 10-3-1a)

5. **PLAY:** A1 throws a forward pass across the line which is touched by eligible A2 and is muffed high into the air. While the muffed ball is in the air: (a) ineligible A3 blocks B1 away from the ball; or (b) ineligible A3 touches the ball in an attempt to catch it.

   RULING: Legal action in (a) but pass interference in (b). After A2 touches the ball, eligible offensive team players may use hands or arms. Pass interference restrictions for eligibles have ended. However, an ineligible Team A player may not touch the pass until a Team B member has touched it. The ineligibles, however, may block an opponent to keep him from getting to the ball or to help a teammate in securing possession. (7-5-5c; 9-2-1c)

6. **PLAY:** K1's punt is beyond the line when R1 signals for a fair catch on R's side of the line of scrimmage. However, the punt comes down on K's side of the line of scrimmage and is **recovered** by R2.

   RULING: The signal by R1 is not illegal since it was made beyond the line of scrimmage and between the goal lines and at a time a fair catch could be made. The play will be blown dead immediately when R2 recovers the kick since the signal by R1 has alerted the kickers that there would be no advance. (2-3-2, 3; 6-5-4)

7. **PLAY:** R1 signals for a fair catch on K's side of the line of scrimmage. However, the kicked ball comes down on R's side of the scrimmage line where it bounces in the air and is recovered by R2.

   RULING: The signal by R1 is illegal since it was made where a fair catch could not be made. The penalty is enforced as any loose ball penalty. The kickers may either have a replay of the down following the 5-yard penalty assessed against R or they may take the results of the play. (2-3-6; 6-2-6; 6-5-6 Pen.; 10-3-1a)

8. **PLAY:** A1 throws a forward pass from the 50-yard line. While the ball is in the air, A1 is roughed by B1. Thereafter, A2 catches the ball at B's 20-yard line and is downed on the 15-yard line.

   RULING: Team A may either take the results of the play or accept the penalty for the roughing committed by B1. If A accepts the results of the play, they will have the ball on B's 15-yard line. If A accepts the penalty, it will be enforced from the previous spot and the down will be replayed, or if it results in a 1st down, it would be a 1st down for Team A from B's 35-yard line. The foul occurred during a loose ball play and the acceptance of the penalty dictates that the foul be enforced from the previous spot. (9-3-3; 10-3-1a; 10-3-2)

9. **PLAY:** A1 throws a forward pass behind the line to ineligible A2. A2 catches the ball and while still behind the line, throws a forward pass beyond the line. While the incomplete pass by A2 is in the air: (a) A3 interferes with B1; or (b) B1 interferes with A3.

   RULING: The pass from A1 and A2 is an illegal pass. However, The pass thrown by A2 is a legal forward pass, in both (a) and (b). In (a), it is a multiple foul by Team A. Team B will have a choice of either accepting the penalty for the illegal pass or the penalty for the pass interference. In (b), the foul by B1 causes this to be a double foul and the down will be replayed. The fact that an illegal pass was thrown prior to the legal pass does not cancel the pass interference restricitons. (7-5-2c; 7-5-6; 10-2-1a)

10. **PLAY:** Fourth and 8 for K from their own 35-yard line. The snap from center is bad and the ball is muffed by K1. K1 attempts to scoop up the ball, and has it for a moment but muffs it again. As the ball is rolling loose behind the line, K1 kicks the ball downfield. While the ball is in flight, and before it is touched by any player of either team, it strikes K2 on the helmet while K2 is 15 yards beyond the neutral zone. The ball bounces downfield and rolls dead on R's 25. The covering official subsequently blows his whistle with no player of either team in possession of the ball.

    RULING: When K1 kicked the loose ball, it was an illegal kick. No player shall intentionally kick a ball other than a free kick or scrimmage kick. A scrimmage kick may be either a punt, drop kick or place kick from behind the scrimmage line before team possession has changed. A place kick is a **legal** kick made while the ball is in a fixed position on the ground or on a tee. A drop kick is a **legal** kick by a player who drops the ball and kicks it when it touches the ground or as it is rising. A punt is a **legal** kick by a player who drops the ball and kicks it **before** it touches the ground. The action of K1 does not fit any of these definitions. The act is illegal. The 15-yard penalty, if accepted, would be enforced from the spot where K1 kicked the ball. If the penalty is declined, the ball would belong to Team K at the 25-yard line since only on a legal kick does the ball belong to the receivers if no team is in possession at the end of the down. The fact that the ball touched K2's helmet is disregarded. (2-15-1, 2, 3; 6-2-3; 9-6-2)

11. **PLAY:** Fourth and 3 for K from their own 10-yard line. A scrimmage kick by K1 is muffed beyond the line by R1 and rebounds back into K's end zone where it is simultaneously recovered by opposing players.

    RULING: Touchdown. When any scrimmage kick is out-of-bounds between the goal lines or becomes dead inbounds between the goal lines while no player is in possession **or inbounds anywhere while opponents are in joint possession, the ball is awarded to R.** Since the kick was muffed beyond the line and there has been no possession, it is still a kick into K's own end zone. If K is in possession at the end of the down, it is safety. If R is in possession **or there is joint possession,** it is a touchdown. (4-2-2e; 6-2-7; 8-2-2)

ATTENTION

Change in the Constitution

Your attention is called to the following change in the 1981-82 Constitution, By-Laws, and Tournament Rules. Article IX, Amendments, Section 1, Deadline for Filing, has been changed to read "On or before **December 1** of each year a member school may file with the Commissioner any proposed change in the Association's Constitution and By-Laws."

The previous deadline of March 1 did not provide sufficient time for the Commissioner to submit proposed changes to the member schools for their consideration prior to the meeting of the Delegate Assembly in April.

From the Commissioner's Office

PITY THE REFEREE

I think that I shall never see
A satisfactory referee.
About whose head a halo shines
Whose merits rate reporters' lines.
One who calls them as they are
And not as I should wish by far.
A ref who leans not either way
But lets the players decide the play.
Poems are made by fools like me
But only God could referee.

SWIMMING COMMITTEE MEETING MINUTES

The Swimming Committe met on Wednesday, September 30, 1981, at the K.H.S.A.A. Office in Lexington. Assistant Commissioner Brigid L. DeVries called the meeting to order at 1:30 P.M. Committee members present included: Tim Cahill, Terry Hile, Tracy Phillips, Norm Schmidt, Jack Thompson, Karen Vanover, David Webb, Jim Wilds.

The first item on the agenda was the selection of regional sites. Brigid DeVries read letters from Bowling Green High School and Elizabethtown High School requesting that their school be selected as the site of the Western Kentucky Region. After a lengthy discussion on the facilities of these two sites, Tim Cahill suggested that the Commissioner keep the site at Bowling Green High School this year and suggested an alternating plan to select Elizabethtown High School as the regional site for the Western Kentucky Region for 1983. The manager for this region will be John Strode, Bowling Green High School. The other sites and managers are as follows: Central Kentucky Region - Tim Cahill, Model High School, Richmond; Jefferson County Region - Jack Thompson, Lakeside Swim Club, Louisville; Northern Kentucky Region - Dave Webb, Scott High School, Covington.

Jack Thompson informed the Committee that Jefferson County Schools have dropped finances for swimming but they can enter a regional meet. Also discussed were ideas for raising money to help pay the cost of running regional meets.

The Committee discussed the regional information sheet and under "Entry Deadline" they suggested an added sentence to read "Entry deadline will be strictly adherred to." Under "Entry Cards" add "Make sure alternates for relays are listed on the cards."

After discussing the state information sheet Brigid DeVries suggested that we also enclose with information sheet, an information sheet on motels available and a map of Eastern Kentucky University.

The Committee discussed all the new rule changes liste in the 1981-82 National Federation Swimming & Diving Rules book.

There being no further business the meeting adjourned.

GYMNASTICS COMMITTEE MEETING MINUTES

e Gymnastics Committee met on Thursday,
ber 8, 1981, at the K.H.S.A.A. Office in
gton. Assistant Commissioner Brigid L. DeVries called the meeting to order at 7:00 P.M. Committee members present included: Dr. Gerald Calkin, Jim Nance, Debbie Howell, Robert Sanderson, Art Sciubba, Dr. Hal Holmes. Absent were Marilyn Lemaster and George Barber.

The first item on the agenda was the selection of girls' regional sites. Paris High School and Kentucky Country Day will be the host schools this year. The regional managers will be Art Sciubba and Debbie Howell. The list of participating schools remained about the same as last year as far as actual participation.

The Committee discussed the regional and state information which will be sent to participating schools. It was felt that a firmer entry deadline policy should be adhered to. Regional entries will not be accepted after the entry deadline. Also girls' coaches wanting to change the order of participation from the regional to the state meet, must notify the regional manager at the conclusion of the regional meet.

A correction of the boys scoring procedure was made on the state information and will be included in the next printing of the Constitution and By-Laws. The addition will read "team scores will be determined by calculating the top three individual scores for each of the six events plus the total score of the highest all-around gymnast divided by six." The other addition on the state information sheet was in reference to boys High Bar "before a team may be judged at least one coach **must** be present as a spotter for competition." This rule will also be restated on the boys' state entry form.

The Committee discussed the state meet in detail. The boys' state manager will be Jim Nance and the girls' manager will be Alane Milles. The time schedule for the state meet will be one hour earlier this year. Competition will begin at 10:00 A.M.

There should be no major change in equipment setup or warm-up procedure at the state meet.

The state gymnastic program will be increased in price from 50¢ to $1.00 this year.

A few editorial changes were suggested for the next printing of the Constitution and By-Laws with regards to correct order of events to include All-around as an event.

Miscellaneous items included a recommendation by Art Sciubba that the Gymnastics Committee look into having additional state qualifiers, either three teams to qualify from each girls region or five individual gymnasts not on one of the two qualifying teams. Statistics on the upcoming regional and state meets will be studied to see how much additional time this would take, and the effect on the quality of the State Meet.

Dr. Calkin mentioned that Eastern Kentucky University would no longer have a men and women's gymnastics team after this year and a new state site should be looked into.

There being no further business the meeting was adjourned.

MINUTES OF THE BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Building, Lexington, Kentucky, on Saturday morning, October 10, 1981. The meeting was called to order by President J. D. Minnehan at 9:00 A.M. with all Board members, Commissioner Tom Mills, Executive Assistant Billy V. Wise, Assistant Commissioners Brigid L. DeVries and Louis Stout present. Conley Manning was present representing the State Department of Education. The invocation was given by Alvis Johnson.

Commissioner Mills introduced Charles Miller, Principal of Pleasure Ridge Park High School, the newly elected Board of Control member representing Section 3, replacing Walter Pickett who has retired.

Bob Rogers moved, seconded by Alvis Johnson, that the minutes of the meeting held on July 24, 1981, be approved as submitted. The motion passed unanimously.

President Minnehan reported on the Basketball Committee meeting held at the K.H.S.A.A. office on Friday, October 9. Mr. Minnehan stated that the Committee, after reviewing the request of Mayfield High School to be moved from Basketball District 3 to District 4, recommends approval of the request beginning with the 1982-83 school year. Following remarks by Prin. Ralph Colby, Mayfield High School and a discussion thereof, Fairce Woods moved, seconded by John Brock, that the recommendation of the Basketball Committee be accepted. The motion passed by a vote of 9-1.

Upon recommendation of the Basketball Committee the Board decided to defer action on requests for changes in the alignment of schools in Basketball Regions 11 and 12 until the January meeting to give the Committee time to gather more information.

Attorney Jim Harris and Mr. Glenn Noble appeared before the Board on behalf of John Barry Noble to ask the Board to waive By-Law 6, Transfer Rule, and restore the student's eligibility at Jackson High School. Following Mr. Noble's presentation John Brock moved, seconded by Whaylon Coleman, that the decision of the Commissioner be upheld. The motion carried by a vote of 7 in favor, 1 opposed and 2 abstentions (Fairce Woods and Alvis Johnson.)

John Brock moved, seconded by Charles Miller, that the Commissioner at the direction of the Board of Control, contact Attorney Harris and inform him that the Board would reconsider the case providing the parents, at their expense, have John Barry Noble examined by another physician. This physician should be one that is not familiar with the case and one that would be mutually agreed upon by the parents and the K.H.S.A.A. The Board would then base their decision upon the recommendation of this physician. The motion passed with 5 in favor, 3 opposed and 2 abstentions (Fairce Woods and J.D. Minnehan).

Attorney Joseph Flaherty spoke to the Board on behalf of Derek Bowman, a student at Owensboro Catholic High School who is ineligible under the provisions of By-Law 6, Transfer Rule. Mr. Flaherty requested that the Board stipulate that the facts he presented were true, whereupon Bob Rogers moved, seconded by Alvis Johnson, that this request be granted. The motion passed. Following the presentation by Mr. Flaherty and a lengthy discussion thereof, John Brock moved, seconded by Bob Rogers, that By-Law 6, Transfer Rule, be waived in this case. The motion failed by a vote of 4 in favor, 5 opposed and 1 abstention (Whaylon Coleman).

Mrs. Ruth Childers appeared before the Board on behalf of her son, Donald R. Hamption. Donald, a student at Doss High School, is ineligible under the provisions of By-Law 6, Transfer Rule. Following Mrs. Childers' presentation and a discussion thereof, Charles Miller moved, seconded by Alvis Johnson, the By-Law 6, Transfer Rule, be waived in this case. The motion failed by a vote of 4 in favor, 5 opposed and 1 abstention.

Attorney William Shadoan was spokesman for Jonna Vaden in her appeal for the Board to waive By-Law 6, Transfer Rule, to permit her to participate in interscholastic athletics at Ballard Memorial High School. Following his presentation and a discussion thereof, John Brock moved, seconded by Robie Harper, that By-Law 6 be waived and that Jonna Vaden's eligibility be restored. The motion carried.

Mr. James H. Rittenberry spoke to the Board on behalf of his son, Todd Rittenberry. Todd is ineligible under the provisions of By-Law 6, Transfer Rule. Following his presentation and a discussion thereof, Bob Rogers moved, seconded by Whaylon Coleman, that By-Law 6, not be waived in this case. The motion carried unanimously.

Commissioner Mills read correspondence concerning the eligibility of Brad Ramsey, a student at Bullitt East High School, who is ineligible under the provisions of By-Law 5, Section 4, Preceding Semester Rule. Bob Rogers moved, seconded by Fairce Woods, that the Commissioner instruct Mr. Ramsey that if a doctor will verify the fact in writing that Brad was not physically able to attend school during 1980-81 school year, the Board will again review the case at the November meeting. The motion carried unanimously.

Mr. Minnehan gave a report of the Staff Committee Meeting which recommends that the Association purchase two automobiles in the price range of $10,000.00 per automobile. Whaylon Coleman moved, seconded by John Brock, that the recommendation of the Staff Committee be accepted and that the Commissioner be authorized to proceed with purchasing of two automobiles for the Association. The motion carried by a vote of 9-1.

Whaylon Coleman moved, seconded by Bob Rogers, that the recommendation of the Retirement Committee the insurance policy taken out by the Association in 1970 for Jean Batsel, Office Manager, be place in her name. The motion carried unanimously.

Based upon a request from Holmes High School, Fairce Woods moved, seconded by Charles Black, that the Commissioner be instructed to conduct a softball survey of the Board Appointed Representatives for the purpose of determining if 25% of the member schools would enter teams in competition in girls' softball during the spring season of the 1982-1983 school year. The motion carried unanimously.

a guideline for establishing fees for those sports sponsored by the K.H.S.A.A. The results of the survey are to be presented for consideration at the next scheduled meeting of the Board of Control.

Mr. Mills presented a request from Supt. Will D. Evans, Kentucky School for the Blind, that the Board waive By-Law 29, Requirement for Coaches, to permit him to employ a non-certified person as head wrestling coach. Alvis Johnson moved, seconded by Charles Black, that the request be denied based upon the fact that certification of personnel is a requirement established by the State Department of Education and not by the Board of Control.

Billy Wise reported the following dates and times of the football playoffs at the Kentucky Fair and Exposition Center, November 27, Class A, 1:00 P.M.; Class AA, 3:00 P.M.; Class AAA 7:30 P.M.; November 28, Class AAAA, 7:30 P.M. He also requested that the Board approve his guaranteeing the dates of November 26-27, 1982 and November 25-26, 1983 for the football playoffs as the Fairgrounds had request that these dates be set as soon as possible. John Brock moved, seconded by Eldon Davidson, that these dates be guaranteed. The motion carried unanimously.

The next meeting date of the Board of Control will be held at Executive Inn-East, Louisville, on November 28, 1981, at 9:00 A.M.

Brigid DeVries, upon recommendation of the Volleyball Committee, requested that the Board approve the fee of $10.00 for referees and $10.00 for umpires for the Louisville Regional Volleyball Tournament. Bob Rogers moved, seconded by Eldon Davidson, that the Volleyball Committee recommendations be accepted. The motion passed unanimously.

Robie Harper moved, seconded by Charles Black, that all bills of the Association for the period beginning July 1, 1981, and ending September 30, 1981, be approved. The motion passed unanimously.

There being no further business, Bob Rogers moved, seconded by Charles Black, that the meeting adjourn. The motion passed unanimously.

Members of the Delegate Assembly at the forthcoming 1982 annual meeting of the Association were elected by the Board appointed state representatives of the K.H.S.A.A. Article IV, Section 2-c, of the Constitution states in the last sentence "If the duly elected delegate or alternate does not answer the roll call at the annual meeting of the Delegate Assembly, the district shall remain not represented." The names of the district representatives are as follows:

MINUTES OF THE BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn-East, Louisville, Saturday, November 28, 1981. The meeting was called to order by President J.D. Minnehan at 9:00 A.M. with Board members Charles Black, John Brock, Whaylon Coleman, Eldon Davidson, Robie Harper, Alvis Johnson, Bob Rogers, Fairce Woods; Commissioner Tom Mills, Assistant Commissioners Brigid DeVries, Louis Stout and Billy V. Wise present.

Fairce Woods moved, seconded by Robie Harper, that the minutes of the October 10, 1981, meeting of the Board be approved. The motion passed unanimously.

Mr. Tom Kelly spoke to the Board on behalf of his son, Chad, a student at Henry Clay High School who is ineligible under the provisions of By-Law 6, Transfer Rule. Following his presentation and a discussion by the Board, Fairce Woods moved, seconded by John Brock, that the decision of the Commissioner be upheld and that By-Law 6, Transfer Rule, not be waived in this case. The motion carried unanimously.

Mr. Minnehan read the section of the minutes of the October 10 meeting to the Board to review their decision in the John Barry Noble eligibility case. Following a discussion of the facts now presented and the fact that the parents had complied with the Board's request, Fairce Woods moved, seconded by Bob Rogers, that John Barry Noble be declared eligible immediately to participate in athletics at Jackson High School. The motion passed with 5 in favor and 4 opposed.

Commissioner Tom Mills reported on the results of the softball survey sent out to the member schools after the last Board meeting. Out of the 221 schools that returned the survey, 97 schools indicated that they would sponsor girls' softball and 124 said they would not sponsor a team. Since this represents more than the required 25% of the schools stating they will sponsor this sport, John Brock moved, seconded by Fairce Woods, that the K.H.S.A.A. sponsor a girls' softball tournament during the spring season of the 1982-83 school year. The motion passed unanimously.

After a report by Billy V. Wise on the football playoff receipts and following a discussion by the Board on the amount of additional contribution to be made to the football finalists, Eldon Davidson moved, seconded by Whaylon Coleman, that an additional expense check be sent to the finalists in the amount of $1,200.00. The motion carried unanimously.

Mr. Wise reported on the information he had gathered from surrounding states on the fees paid officials in athletic events sponsored by state associations. In studying the information and comparing the fees with Kentucky's fees, they found that Kentucky either compares or is above average in the amount paid officials in all sports. President Minnehan stated that the information provided through the survey would be used as a guideline in setting officials' fees in the future.

After a lengthy discussion on the limitation of seasons and the number of games permitted in baseball and

softball, Fairce Woods moved, seconded by Whaylon Coleman, that the All-Sports Committee study this subject and submit a recommendation for consideration at the January Board meeting. The motion carried unanimously.

John Brock moved, seconded by Robie Harper, that the recommendation by Mr. Wise that the 1981-82 basketball officials fees for the district, regional and state be set at $35.00, $45.00 and $55.00 respectively, be adopted. Transportation allowance shall be 15¢ per mile for all necessary travel to officiate an assigned game. In the event it is necessary for the official to remain overnight at the tournament site, he or she shall be paid an additional $20.00 per day for lodging and meals. These apply to both boys and girls tournaments. The motion carried unanimously.

Upon recommendation of Commissioner Mills, Robie Harper moved, seconded by Alvis Johnson, that a transfer of funds be made from the boys' state tournament account to the girls' state tournament account in an amount of $8,000.00 to cover the expense of a $500.00 check being sent to the sixteen schools that participate in the girls' state tournament. The motion carried unanimously.

Upon a recommendation by Commissioner Mills, Charles Black moved, seconded by Bob Rogers that the radio fee for broadcasting the 1982 boys' and girls' state basketball tournaments be increased $10.00 per day. The motion carried unanimously.

Mr. Osborne came before the Board to protest the eligibility status of a student presently enrolled in another member school. President Minnehan informed Mr. Osborne that all protests against a member school should be submitted accordance with the provision of By-Law 13, Protests. Mr. Osborne thanked the Board members for the time alloted him and indicated that he would follow the proper procedure as outlined in the K.H.S.A.A. Constitution and By-Laws.

Mr. Mills read a letter written by Prin. Sam Chandler of the Shelby County High School requesting an increase in the expense allowance for the schools participating in the football playoffs. Eldon Davidson moved, seconded by Charles Black, that this request be referred to the Football Committee for their study and recommendations. The motion carried unanimously.

Following the presentation of several requests from member schools, Bob Rogers moved, seconded by Fairce Woods, that a survey be sent to the soccer playing schools requesting their vote on whether or not they would prefer that soccer be sanctioned as a fall sport rather than a spring sport. The motion carried unanimously.

Mr. Mills read a letter from Prin. Thomas Stephenson of Lone Oak High School requesting Board of Control sanction for an all-star game for senior girls at the end of the 1981-82 basketball season. After a discussion it was the decision of the Board members that sanction of this game by the Board is not necessary. The Board instructed the Commissioner to inform Mr. Stephenson that K.H.S.A.A. rules do not prohibit a member school sponsoring an all-star game. However, By-Law 32, does apply and the penalty for violation shall be loss of eligibility in all sports for the remainder of the academic school year for seniors, and the loss of eligibility in all sports for one year for those below the senior level.

Mr. Mills read a letter from Burgin High School requesting permission for their basketball team to go to Toronto to play in a series of games, following the 1981-82 basketball season. John Brock moved, seconded by Charles Black, that permission be granted upon the approval of the National Federation. The motion carried unanimously.

After a lengthy discussion on the assigning of basketball tournament officials, Fairce Woods moved, seconded by

1981-82 NATIONAL FEDERATION BASKETBALL

EARLY SEASON QUESTIONS

PUBLISHER'S NOTE: These interpretations of the 1981-82 National Federation Basketball Rules do not set aside nor modify any rule. They are made and published by the National Federation of State High School Associations in response to situations presented.

National Federation Publications

13.

PLAY: B1 fouls A1 with 9 seconds remaining in a tied game. Team A is in the bonus. The foul is B1's 5th personal. B1 is disqualified and the coach notified. B6 apparently reports to the scorer within the 30 seconds and is beckoned to enter. A1 makes the 1st attempt but misses the bonus. B1 secures the rebound, takes the ball downcourt and scores a field goal just before time expires. The scorer then indicates that the coach of Team A wants a conference to consider a correctable error. The coach asks the official to determine whether B6 reported properly. The coach contends a technical should have been charged and that a merited free throw was not awarded. The scorer, who had not notified the official that B6 failed to report, now states B6 did not report properly.
RULING: This is not a correctable error as covered under the provisions of rule 2-10. Team A is charged with a time-out. If an error had been made which is correctable, the time limit would not have expired. However, no correctable error was made at the time B6 entered. B6 was not charged with a technical foul for failing to report properly. Had a technical foul been assessed but not enforced, it would have been correctable. A substitute must specifically report to the scorer even though it may be obvious who he or she is replacing. (3-3;10-8-1)

14.

B1 fouls A1. The scorer indicates it is Team B's 5th personal foul in the 1st half. While A1's attempt is in the air, B2 commits a common foul on A2. It is B2's 5th personal foul. B2 is replaced by B6. The attempt by A1 was unsuccessful. At this point, the scorer notifies the nearer official that A1 should not have been given a free throw as Team B had only 4 personal fouls at that point.
RULING: The error of awarding A1 a free throw is correctable. However, since no free throw was scored, there is nothing to cancel regarding A1's attempt. B2's common foul and penalty which occurred during A1's unmerited free throw is cancelled. B2 is allowed to reenter the game. Team A is awarded the ball out-of-bounds nearest the spot of the original foul by B1. (2-10-2)

15.

PLAY: A1 jumps to throw the ball. B1 prevents the throw by placing one or both hands firmly on the ball so that: (a) A1; or (b) A1 and B1 both return to the floor holding it.
RULING: Held ball in both (a) and (b). However, if A1 voluntarily drops the ball before returning to the floor, and A1 then touches the ball before it is touched by another player, A1 has committed a traveling violation. (4-27-4 Ques. 3)

16.

PLAY: A1 is disqualified with 5 fouls. A6 reports and replaces A1. Team A asks for and is granted a time-out. During the time-out, A7 replaces A6.
RULING: Legal procedure. The incoming substitute is not required to remain in the game a certain length of time, nor is it required that the ball must become alive or the clock must run before such incoming substitute is replaced. However, A1 may not reenter until the next opportunity for substitution after the clock has started. (3-3)

17.

PLAY: A1 dribbles the ball into Team A's frontcourt, however, the ball is taken away by B1. B1 dribbles the length of the court and attempts a layup. The ball does not go in the basket. The momentum of B1 carries him or her out-of-bounds. B1 recovers, comes back inbounds, grabs the rebound and puts it through the basket.
RULING: Two points for B1. The fact that B1 went out-of-bounds as a result of playing action does not prevent B1 from coming back inbounds, securing the rebound and scoring. The ball was not in B1's control during the time B1 was out-of-bounds. (7-1-1;10-6-8)

18.

PLAY: A technical foul is charged to B1. The captain of Team A indicates to the official that A1 will attempt the free throw. Team A then requests and is granted a time-out. Following the time-out, the Captain indicates to the official that A2 will attempt the free throw.
RULING: A2 should be allowed to shoot the free throw. The fact that Team A changed their mind is not confusing nor does it create an advantageous situation for Team A. (10-10 Penalty)

19.

PLAY: A1 is holding the ball in Teams A's frontcourt

near the division line. B1 is between A1 and A2. (a) A1 tosses the ball into the backcourt with considerable reverse spin. The ball touches the floor in the backcourt and rebounds to A2 in the frontcourt; or (b) A1 bounces the ball off the leg of an official who is in the backcourt and it rebounds to A2 in the frontcourt.

RULING: Violation in both (a) and (b). A2 was the first to touch the ball which a teammate caused to go from frontcourt to backcourt and the teammate was last to touch the ball before it went into the backcourt. It is a violation whether the touching by A2 is in the backcourt or the frontcourt. (9-9)

20.

PLAY: A1, is Team A's frontcourt, passes the ball to A2 who taps the ball so it strikes the floor on the division line and rolls into Team A's frontcourt where A3 touches it.

RULING: Regardless of whether the first touching is in the backcourt or the frontcourt, it is a violation. (9-9)

21.

PLAY: When does a disqualified player officially become a part of the "bench personnel" provision which dictates an automatic 2 shots for a technical foul?

RULING: A player becomes a disqualified player and under the influence of the "bench personnel" rule as soon as the official notifies the coach that the player has been disqualified. Obviously, a 2-shot penalty could be invoked prior to that time if warranted, but after notification it is automatic. (10-10 Penalty)

22.

PLAY: A1 is handed the ball for a throw-in following a 3-second violation. May either: (a) Team B; or (b) Team A be granted a time-out after the throw-in starts?

RULING: Once a throw-in starts (the official begins the count) it is too late, in (a) for Team B to be granted a time-out. In (b), Team A may have a time-out request granted until the count of 4 is reached by the official or until the ball is in flight on the throw-in by A1. (4-6-1)

23.

PLAY: Team A begins the game with 5 players and 3 substitutes. Early in the 3rd quarter, 3 Team A players have fouled out. Thereafter, A1 is injured and the coach is beckoned onto the court to determine the extent of the injury. After 3 minutes, the coach decides that A1 cannot continue. A1 goes to the bench.

RULING: Since there is no replacement available for A1, no time-outs are charged for the 3 minutes consumed in determining the extent of the injury to A1. If A1 had remained in the game, the 3 time-outs would have to be charged to Team A. A1 may later come back into the game as is possible with any player who leaves because of injury. (3-1;5-9)

COMMENT: Team A has complied with the exception that prevents charging a team with a time-out(s) if the injured player leaves the game. The fact that a replacement is not available does not alter this exception. The safety of players is of prime concern and this is supported by allowing the players removal even though no replacement is available.

24.

PLAY: A1 attempts a shot at his own basket from approximately 20 feet out. As soon as the ball is released on the try, B1 vibrates the backboard. The vibrating of the board does not appear in any way to interfere with the try. Should this be a technical foul?

RULING: Yes. Whenever the conditions of a try in flight have been met and the board is vibrated, a technical foul must be called. It makes no difference whether or not it appears that the vibrating will influence the success of the try. (10-6-7)

25.

PLAY: Five seconds remain to be played near the end of the 2nd quarter. Team A is ahead by 1 point and is shooting a free throw. The free throw is missed and both Team A and Team B members have instructions from their coaches not to touch the ball. The ball bounces from the rim to the floor and rolls to a stop with no players of either team attempting to gain possession.

RULING: The official will wait momentarily for a player of either team to gain possession of the ball. However, if no one does this, the official will blow the whistle and signal a jump ball at the nearest jumping circle. Since the clock does not start after a missed free throw until the ball is touched by a player, the jump ball will be administered with 5 seconds still remaining on the clock. (5-10-2;6-3-5)

26.

PLAY: Team B has already been warned for lack of sufficient action during the 4th period. In the 1st overtime period, with the score tied, Team A has 3 players in its midcourt area. B1 is continuously and aggressively attempting to get the ball from A1 and A2, as it is thrown back and forth from one to another. B2 is also in the midcourt area but makes no attempt to either cut off passing lanes or to initiate any other type of legitimate defense. A1 and A2 continue to pass the ball back and forth to each other and B1 rushes from one to the other.

RULING: At the end of 5 seconds, a technical foul would be charged to Team B for failing to comply after having been warned for lack of action. B2 must be positioned and react in such a way that either passing lanes are being cut off or legitimate defense is being played, otherwise a technical foul must be charged to Team B. (10-2-3)

27.

PLAY: B1 is occupying the 5th lane space during a free throw attempt by A1. Is this considered to be an unmarked space and what are the restrictions?

RULING: The 5th space is an unmarked lane space. A player occupying it may not break the plane or leave the space until the ball touches the ring, backboard or until the free throw ends. In addition, it is perfectly legal to be positioned in that space even though the imaginary free throw line extended actually would be directly under such player. (9-1-8)

National Federation Announces New Record Book

The National Federation of State High Schools Association has announced that the United States Marine Corps will be sponsoring the pocket version of the **1981-82 National High School Sports Record Book.** The pocket version is being published for the first time. Books are available to schools that request them for free distribution to students in classes, intramural sports or other school programs.

The pocket version of the **National High School Sports Record Book** is a condensed version of the 300 page book of records published by the National Federation. This pocket version contains the current records and most notable achievements in high school football, basketball, baseball, track and field, and swimming. Many of the performers listed in the book, such as Herschel Walker, Billy Sims and Tracy Caulkins have since become famous because of their success in college, professional or international sports. Others are not well-known, but will be recognized as outstanding athletes because of the sometimes amazing high school records they set, such as Ken Hall's season record of 395 points in football or Michael Carter's 77 foot shotput. Students will be able to use this handy 32 page reference guide to measure their personal records against national records, for goal setting and for general information. The USMC is providing this service free in recognition of the achievements of high school athletes.

Books can be ordered free of charge by high school Athletic Directors and Coaches by contacting Trigon Sports International, Inc., 421 King Street, Suite 214, Alexandria, VA 22314, Attn: USMC High School Record Book.

Please state your name and position, school name and mailing address, number of students in grades 10-12 and number of books requested. They will be sent directly to you without charge for free distribution to your high school athletes and other students. Or, if you prefer, call toll free (800) 423-2600 for further information.

MINUTES OF THE BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn-East, Louisville, Friday, January 22, 1982. The meeting was called to order by President J. D. Minnehan at 9:00 A.M. with all Board members, Commissioner Tom Mills, Assistant Commissioners Brigid DeVries, and Louis Stout, Executive Assistant Billy V. Wise present. Conley Manning was present representing the State Department of Education. The invocation was given by Alvis Johnson.

Charles Black moved, seconded by Eldon Davidson, that the minutes of the November 28, 1981, meeting of the Board be approved. The motion passed unanimously.

President Minnehan intorduced Prin. Don Hines of Frankfort High School. Mr. Hines spoke to the Board on behalf of the schools in District 41, requesting that they be moved from Region 11 to Region 8. President Minnehan informed Mr. Hines that the Basketball Committee had met and considered his written proposal along with others received and would be making recommendations to the full Board during the meeting.

Prin. Arnold Marshall of Boyle County High School and Prin. Bob Anderson of Casey County High School spoke to the Board requesting that they reconsider the enforcement of By-Law 10, Undue Influence, in the case of Arthur Hanson, a student at Pulaski County High School. After a lengthy discussion Fairce Woods moved, seconded by Eldon Davidson, that Mr. Marshall and Mr. Anderson meet with the Commissioner and his Assistants at the K.H.S.A.A. Building in Lexington as soon as possible to discuss their request. The motion carried unanimously.

President Minnehan introduced Prin. August Pisa, Mr. Jim Wallace and Woody Woodall of Trigg County High School. They spoke to the Board requesting their consideration in lifting the suspension imposed on Trigg County High School for violation of By-Law 17, Unsportsmanlike Conduct, on October 30 in a football game with Heath High School. Following the presentation and a lengthy discussion thereof, Charles Miller moved, seconded by Whaylon Coleman, that the decision of the Commissioner be upheld in this case. The motion carried unanimously.

Supt. Jack Rose of Calloway County Schools spoke to the Board on behalf of the Calloway County High School requesting that Mayfield High School not be moved from District 3 to District 4 in basketball. After a lengthy presentation, John Brock moved, seconded by Charles Miller, that the matter be referred to the Basketball Committee for further consideration. The motion carried unanimously.

Executive Assistant Billy V. Wise reported that the pre-tournament ticket sales for both boys and girls state basketball tournaments exceed those of last year.

The members of the Basketball Committee discussed at length with the Board members their recommendations on the basketball district and region re-alignments. In making the changes in the basketball re-alignment the Committee members explained that they considered the need for re-alignment first and then the geographical location of the schools as the determining factors. The Basketball Committee submitted the following proposed changes in the districts and regions for the school year 1982-83: Todd County from District 8, Region 2 to District 13, Region 4; McLean County from District 9, to District 12; Butler County from District 12, Region 3, to District 13, Region 4. Robie Harper moved, seconded by Alvis Johnson, that the recommendations of the Basketball Committee be accepted. The motion carried unanimously.

Following a lengthy discussion on the proposed changes in Regions 11 and 12, Alvis Johnson moved, seconded by John Brock, that the Basketball Committee recommendations made for Region 11 and 12 be accepted for the 1982-83 school year. The motion carried unanimously. The new alignment for Regions 11 and 12 is as follows:

KAPOS NEWS STATE TOURNAMENT INFORMATION

Participating cheerleader and sponsor registration: all cheerleading squads and/or sponsors are asked to stop by the KAPOS table to:

1. Register your squad
2. Pick up important information and materials for you and your school.

Along with a KAPOS board member, there will be high school cheerleaders on hand to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often mised because the guides could not locate the desired person in time for the interview.

Hospitality Room: May we remind all sponsors and cheerleaders that KAPOS hosts a Hospitality Room for participating cheerleaders. We cordially invite you to have refreshments, socialize with friends, exchange ideas, and perhaps get help with your problems.

"Sweet 16" Cheerleading Squads: **Attention Principals!** If your team will be participating in the State Tournament, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleader sponsor. We request that your cheerleaders be chaperoned by a well qualified, school approved adult. Verification of this, along with your sponsor's name, must be contained in the letter of confirmation which you will receive. This letter must be in the hands of a KAPOS officer prior to the time that your cheerleaders take the floor.

Important! Please be sure that your school is a paid member of KAPOS or pays the fee before their first game in order for your squad to compete for the cheerleading awards in the State Tournament. The winners of these awards will be determined by use of the KAPOS Judging Sheet, a copy of which appears in the KAPOS Handbook.

AWARDING OF TROPHIES

KAPOS is pleased to honor outstanding cheerleading squads with the recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:

The winning cheerleader squad in the Boys' Sweet Sixteen will receive the Ted Sanford Trophy; in the Girls' Sweet Sixteen the Tom Mills award. The runner-up cheerleading squad will receive a trophy, with the third and fourth place squads being awarded plaques. in addition, the special K-Pep Award will be presented. All tournament cheerleading squads and their sponsors are asked to be located close to the playing floor so they can easily come on the floor should they be called for an award.

GOVERNOR BROWN DECLARES GOOD SPORTSMANSHIP MONTH

While every month should be Good Sportsmanship Month, KAPOS has always tried to put special emphasis on being a good sport at tournament time. Being a good sport is part of being a good citizen. We don't believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be albe to attend the games that each individual can contribute to the success of the tournament if he will abide by the KAPOS

STATE-AT-LARGE CHAMPIONS

Recognition is annually given to cheerleading squads other than those sixteen fortunate enough to participate with their teams in the State Tournament. The winner will receive the Jane Meyer trophy, while the runner-up will receive the President's Trophy. Plaques will be given to the third and fourth place squads.

Beginning at the district level, all squads that are KAPOS members are eligible to be judged for the honor of representing their district in the KAPOS Region-At-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn the girls' varsity winner and the boys' winner and runner-up from each region is allowed to compete for the title of State-At-Large Cheerleading Champions.

Judging for the Girls' State-At-Large winners will take place at 8:00 A.M., on Saturday, March 20, in the Madison Central High School gymnasium, 705 North Second Street, Richmond. Judging for the Boys' State-At-Large winners will take place at 8:30 A.M. on Friday, March 26, and at 8:30 A.M., Saturday, March 27 in Memorial Coliseum on the campus of the University of Kentucky, Lexington. The public is invited to these outstanding events. The admission charge of $2.00 for adults and $1.00 for students will go toward the expenses of the KAPOS scholarship award, details of which are supplied below.

At the conclusion of the judging, trophies will be awarded to the top four squads, in addition to several special awards.

NOTE TO ALL ADMINISTRATORS

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively.

Again, we need judges and personnel to help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated persons who have indicated a willingness to help share these duties provided thay get a release from their administrators. Therefore, the KAPOS board is seekng your understanding and cooperation should you be asked to release a teacher from her duties to help carry on the work that KAPOS is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

STELLA S. GILB SCHOLARSHIP

KAPOS is happy to annually award the Stella S. Gilb Scholarship to an outstanding and well-deserving cheerleader from Kentucky. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 15. Contact a KAPOS board member or officer for application forms, or pick them up at the State Tournament KAPOS Table.

Football Rule Changes For '82 Season Announced

KANSAS CITY, MO. (January 12, 1982)--Several rules changes and modifications have been approved for the 1982 football season by the Football Rules Committee, which met recently in conjunction with the National Federation of State High School Association's "Mid-Winter Meeting", staged January 5-7, 1982 at Phoenix, Arizona.

Among the major changes was a restructuring of time-out procedures allowing a coach the option of going to the team huddle during a charged time-out. The rule change gives a team the choice of either having one player go to the sideline to confer with the coaching staff--as has been the rule in past seasons--or having one coach go to the team huddle on the field.

The nation's 15,000 high schools and nearly one million student participants who utilize the National Federation football rules code will no longer be permitted to wear "tear-away" jerseys or to have sticky or slippery substances on equipment or hands.

Other rules changes for the 1982 season:

1. Reduction in penalty (from 15 yards to 5 yards) for teammates pushing a runner.
2. Reduction in the penalty (from 15 yards to 5 yards) for failure to wear required equipment during a play.
3. Moving the yardage chain away from the sideline when a first down cannot be made (goal to go).
4. Exempting players from the numbering requirements who report to the umpire during a scrimmage kick formation which is defined as having at least one player seven yards or more behind the neutral zone and no player in position to receive a hand-to-hand snap from the center.
5. Elimination of any advancement of the ball by the receiving team after a kick if a valid, invalid or illegal fair catch signal has been given.
6. Declared that if a player catches a kick or pass inside his team's five-yard line and his momentum carries him into his team's end zone, the ball will be put in play at the spot of the catch rather than decalre a safety if the ball becomes dead in the end zone.

Minutes Golf Committee 1981

The Golf Committee met on Tuesday, December 8, 1981, at the K.H.S.A.A. Office in Lexington. Assistant Commissioner Brigid L. DeVries called the meeting to order at 1:30 p.m. Committee members present included John Hackett, Bill Johns, Bill Frost, Ernie Denham and Danny Spillman. Absent was Matilda Walker.

The first item on the agenda was a discussion of regional golf tournament sites. Seven of the eleven regional sites for boys have been secured, and four of the six girls regional sites have been confirmed.

Ernie Denham reported on the golf situation in Louisville, Mr. George Sauer, Commissioner of Athletics and Activities, for Jefferson County proposed a plan whereby golfers could participate in 4-6 matches during the spring of 1982. The K.G.A./P.G.A. Inc. is willing to assist in securing the golf courses. Mr. Sauer is attempting to compile a list of schools wanting to participate so that L.G.A. officials may plan accordingly for the golf matches. The competition will be open to both boys and girls so that all high school golfers will have some opportunity to play prior to the regional tournament. This proposal was made due to the fact that golf has been eliminated from the athletic program in Jefferson County.

The Committee felt that individual schools should determine which golfers will represent the shools in the regional tournament.

There was a discussin of the regional information sent out to the schools with a few minor changes recommended.

The K.H.S.A.A. has requested Elizabethtown Country Club once again as the site for the Girls' State Tournament and Lindsey Golf Course at Fort Knox for the Boys' Tournament. The committee was very happy with the condition of both Elizabethtown Country Club and Fort Knox as state sites this past year.

The Golf section of the Constitution and By-Laws was discussed with some minor revisions recommended for the 1982-83 printing.

The Golf Committee suggested three items for discussion at the January Board of Control meeting: 1) the rules meeting held the night before the state tournament should be mandatory for coaches and/or players, 2) there should be a participation

requirement, (3 nine hole matches) before golfers would be eligible for regional play, 4) that golf be moved to the fall for 1983.

There being no further business the meeting was adjourned.

Tennis Committee Minutes 1981-82

The Tennis Committee met on Tuesday, February 23, 1982, at the K.H.S.A.A. Office in Lexington. Assistant Commissioner Brigid L. DeVries called the meeting to order at 1:30 p.m. Committee members present included Wilson Sears, Margaret Sheegog, Joe Kroh, Becky Watson, Bill Goodan, Terry Johnson, Jeff Frisch and Liz Sadler.

The first item on the agenda was a discussion of the regional tournament information that is sent to the schools as well as the new team format. Committee members suggested the following additions to the regional information:

1) that the certificate of eligibility accompany the regional entry form, 2) that schools declare No. 1 and No. 2 singles players and doubles teams on the regional entry form so that in case of a tie in team points the tying teams can have a playoff, 3) that the penalty for lateness be one game for each 5 minutes and after 55 minutes the match be defaulted, 4) schools must play in the State Tournament the way they are entered in the regional (no switch from singles to doubles or vice versa), 5) players be allowed a mandatory ½ hour break between matches in the regional tournament. The regional entry form will have a place on the back of the sheet for specific information regarding a players season for seeding purposes.

There was a discussion of regional tournament sites and managers. Mr. Jack Kleier will assist in getting tournament managers in Jefferson County.

A discussion was held concerning splitting the Lexington region into two regions. Terry Johnson submitted a proposal for consideration. If the proposal is accepted possible tournament hosts include Frankfort high School, Shelby County High School and Western Hills High School.

The State Tennis Tournament was the next item on the agenda. It was decided that if possible the semi-final matches would be conducted on Saturday morning. Players for the State Tournament will be seeded in an open meeting. Seeding for the State Tournament will be done by a Committee and will be scheduled early the week fo the State Tournament. The time and date of the meeting will be announced later and will be open to the public. There will be a separate seeding committee for boys and girls.

There being no further business the meeting was adjourned.

Minutes of the Track and Field Committee Meeting

The K.H.S.A.A. Track and Field Committee met at the Kentucky High School Athletic Association Office, Lexington, on January 26, 1982. The meeting was called to order by Assistant Commissioner Brigid DeVries at 1:30 p.m. Committee members present were Bro. Borgia, Alice Brutsher, Susan Fetter, John Gettler, Jack Kaelin, Martin Mayer, Bob Miller, Charles Ruter, Terry Wilson, Larry Wingfield, Reba Woodall, Jean Wright. Assistant Athletic Director Jack Kleier was present representing the Jefferson County Schools.

Mr. Charles Ruter spoke to the Committee members about the Mason-Dixon Games at the Fairgrounds in Louisville on February 5-6. He also requested that they make every effort to attend the track clinic at the Fairgrounds at 4:00 p.m. on February 5 and in Lexington at the K.H.S.A.A. Building, on March 31, at 7:00 p.m.

After a general discussion on sites for the regional and sectional track meets the following changes were recommended: Class A (boys and girls) Region 5 - Fort Knox High School, Region 7 - Jenkins High School, Region 8 - Raceland High School; Class A and AA (boys and girls) Region 3 - Bellevue High School, Region 7 - Lawrence County High School; Class AAA (boys and girls) Region 3 - Iroquois High School, Region 7 - Lexingon, Region 8 - Boyd County High School. Sectional changes - Class AAA, Section II, Ballard High School; Class A, AA and AAA, Section III & IV, Covington Catholic.

Other recommendations by the Committee to be presented to the Board of Control are as follows: 1) that the 400m relay for boys be added to the order of events for 1982-83 school year; 2) that the order of events be followed that is listed in the track rule book for 1983; 3) Jack Kaelin suggested that the 3200m relay for boys and girls be studied as a future event; 4) that the State Tract Meet be moved to the last weekend in May; 5) dissolve the sectional meets with a 2-day State Meet qualifying the top two out of each region; 6) establish a state-wide fee structure for track officials; 7) formation of an all-star track team; 8) that the triple jump for girls be added to the order of events for 1983; 9) that the 400m relay for boys be added to the order of events for 1983.

Changes effective for the 1982 track season area as follows: the girls 3200m run will be placed in the state order of events after the Class AAA boys' 400m dash, and followed by the boys 300m low hurdles. The 800m sprint medley for girls will be dropped. Lane assignments for races not run the entire distance in lanes shall be determined by lot. This includes relays where the first leg of a relay is not run the entire distance in lanes. These lane assignments for the state meet will be done at the regular state seeding meeting by the sectional managers.

Assistant Commissioner DeVries discussed the 1982-83 rules changes that were listed in the National Federation Rule Book.

There being no further business the meeting adjourned.

MINUTES OF THE BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the Hyatt Regency, Lexington, on Friday, March 26, 1982. The meeting was called to order at 9:30 A.M. by President J.D. Minnehan. Board members Charles Black, John Brock, Whaylon Coleman, Eldon Davidson, Robie Harper, Bob Rogers, Charles Miller, and Fairce Woods; Commissioner Tom Mills, Executive Assistant Billy V. Wise, Assistant Commissioners Brigid DeVries and Louis Stout were present. Conley Manning was present representing the State Department of Education. Robie Harper gave the invocation.

Bob Rogers moved, seconded by Fairce Woods, that the minutes of the January meeting be approved. The motion passed unanimously.

Mr. Mills gave a report on the results of the election for new Board members to represent Section 3 and Section 4. Prin. Ray Story, North Hardin High School, was elected by receiving 32 votes, and Prin. Patrick Crawford, Ballard High School, was elected by receiving 33 votes.

President Minnehan discussed with the Board members the training session to be held at Pine Mountain State Park on Saturday, April 24, 1982. Mr. Minnehan reported that he had contacted Consultant Jim Huge to speak at the training session.

After a discussion by Mr. Minnehan on the value of featured articles of recognition to be run in the Athlete, John Brock moved, seconded by Charles Miller, that the Board approve the running of featured articles in the Athlete. The motion carried unanimously.

Mr. Wise gave a brief report on the progress of the Boys' State Basketball Tournament stating that the attendance at this point in the tournament is up slightly over the 1981 figure. He stated that he would have a more detailed report at the April Meeting. The girls' tournament held on the Campus of Eastern Kentucky University was very successful with the attendance being consistent with the last few years. A financial audit of both tournaments will appear in the August issue of the "Athlete."

President Minnehan discussed at length the assigning of officials and the fact that he had investigated the possibility of going to a computerized method of assigning officials. He reported that he had discussed this with representatives of other state associations and found that it had worked well in their states. Mr. Minnehan suggested that a committee be formed to study this phase of the Officials' Division. Bob Rogers moved, seconded by Eldon Davidson, that a committee be formed to study the Officials' Division and that Mr. Minnehan be named Chairman. The motion carried unanimously. Board members who volunteered to be named to the Committee with Mr. Wise and Mr. Minnehan were: Whaylon Coleman, John Brock, Robie Harper, and Bob Rogers.

After a discussion on the eligibility case of Tommy Smith who was ruled ineligible under By-Law 6, Transfer Rule, John Brock moved, seconded by Whaylon Coleman, that By-Law 6 be waived in this case and that Tommy Smith be considered eligible immediately to represent Paintsville High School in interscholastic athletics providing he meets all other eligibility requirements. The motion passed unanimously.

President Minnehan presented a letter received from Principal Bill Van Winkle, representing the schools in the Big 8 Conference recommending that the K.H.S.A.A. discontinue the practice of presenting free passes to each member school for the Boys' and Girls' State Basketball Tournaments. Mr. Van Winkle further recommended that the Board of Control consider adopting the semi-state plan for basketball playoffs as is presently being done in Indiana. Following a discussion on each of the recommendations, Robie Harper made the motion that the suggestions be referred to the All-Sports Committee and the Basketball Committee for consideration. Whaylon Coleman seconded the motion and it passed unanimously.

Robie Harper moved, seconded by Whaylon Coleman, that item 2 "the boys and girls basketball tournaments adopt the Indiana semi-state system. The basis for this is that it is less disruptive, less expensive and more educationally sound," be referred to the Basketball Committee. The motion carried unanimously.

Bob Rogers presented a request from the Western Kentucky Conference Officials' Association that the same mileage fee be paid to all football officials, John Brock moved, seconded by Eldon Davidson, that the request be referred to the Football Committee. The motion carried unanimously.

Bob Rogers request that Ballard Memorial High School be given permission to play a benefit basketball game between their seniors and teachers for a husband of a teacher who has Lou Gehrig disease. Eldon Davidson moved, seconded by Fairce Woods, that By-Law 32 be waive in this case. The motion carried unanimously.

Following a suggestion that the runner-up in the basketball district tournament play not be allowed to continue on to the regional tournament, John Brock moved, seconded by Charles Miller, that this be referred to the Basketball Committee. The motion carried unanimously.

Mr. Conley Manning reported to the Board that the State Department of Education will conduct a survey of the member schools on classification of schools in basketball.

After a discussion on the mileage allowance for the Board of Control and K.H.S.A.A. staff, Fairce Woods moved, seconded by John Brock, that the amount be changed to 20¢ per mile. The motion carried unanimously. Charles Miller moved, seconded by Charles Black, that the motion be amended to read "to be effective as of July 1, 1982." The motion passed by a vote of 8 in favor and 1 abstention.

Upon a request by Louis Stout, John Brock moved, seconded by Robie Harper, that the Board approve the use of one umpire in areas where there is a shortage of umpires for 1982 with the fee of $27.50 plus mileage and beginning in 1983 that the one umpire system not be used. The motion passed by a vote of 6 in favor and 3 opposed.

Following a discussion on the recent legal action filed by the Dayton Independent Board of Education, et al, in the Franklin Circuit Court on classification in basketball, Fairce Woods moved, seconded by Whaylon Coleman, that the matter be referred to Board Attorney Phillip Scott

Newly Elected Board Members

Ray Story

Patrick Crawford

Louisville Ballard High School Principal Pat Crawford, and North Hardin High School Principal Ray Story were recently elected to serve four-year terms as members of the Kentucky High School Athletic Association Board of Control.

The highly personable Crawford, a newcomer to the Board, succeeds Oldham County Principal, and past K.H.S.A.A. president, J.D. Minnehan, in representing Regions 7 and 8.

Crawford, though, is no newcomer to sports. "I've always been active in high school athletics in Kentucky," states Crawford, "and I've had an interest in becoming a member of the Board of Control."

His zeal for high school athletics dates back to his high school days in Glouster, Ohio, where he participated on both football and baseball teams at Glouster High School. Upon graduation, he accepted a football scholarship to enroll at Eastern Kentucky University, where he performed under the tutelage of Tom Samuels. He received his B.S. Degree from Eastern in Health and Physical Education.

Crawford's next educational step was enrollment at the University of Louisville, where he acquired a double Master's Degree in Counseling and Administration. Crawford completed his education by earning his Rank I Degree at Eastern and U. of L.

After returning from a three year stint in the Army in 1958, Crawford accepted a teaching and coaching position at Louisville Waggener High School. His coaching responsibilities included head swimming coach and assistant football coach.

From Waggener, Crawford moved to Westport High School in 1961, to accept a counseling position. He served as a Westport High School assistant principal from 1962-1966, at which time he accepted the Robert Frost Middle School principalship.

Crawford, who began his current tenure in 1968, and his wife, the former Suzanne Doyle, have one daughter, Jennifer, age 17, a Ballard High School senior who will attend the University of Louisville in the fall.

Ray Story is set for his second term as a Board of Control member. He follows Charles Miller, principal of Louisville Pleasure Ridge Park High School, to the position of representation for Regions 5 and 6.

Story has strong feelings concerning the K.H.S.A.A. "The K.H.S.A.A. has to continue the excellent job of promoting amateur athletics in the State," offered Story.

Of his previous years as a member of the Board, he adds, "I have found it to be a first class organization and hope to help it continue in that manner."

Never fear, Story brings just that, calss, to the Association.

A graduate of Memorial High School, in Lincoln County, Story was a member of the school's basketball and baseball teams. From Memorial High School, he chose Campbellsville College, where he obtained his B.S. Degree in English. Story continued his education at Western Kentucky University, receiving his Master's and Rank I Degrees.

His career began as a sixth grade teacher in Vine Grove. In 1963, he was hired at North Hardin High School as an English teacher, and became that school's assistant principal in 1965. Since 1967, he has served in the capacity of principal.

Story, whose first term on the Board spanned the years 1974-1978, has "always enjoyed being around sports, and the Board of Control gave me this involvement at the highest level."

Story, and his wife, the former Sue Cecil, of Stephensburg, Kentucky, have two sons. Mark, a 17 year old senior at North Hardin is bound for Centre College, and Tim is a 13 year old eighth grader.
